5 - Fill in all details
6 - Upload required documents
7 - Complete and pay by Credit card
8 - Check if Visa has been approved by logging into your account. This can be as soon as 24 hrs after application.
9 - Download visa
10 - Print visa in **COLOUR** for airline check in and immigration entry in Kenya

We recommend to print all required travel documents , as some airlines and country/border immigrations do not except them from your mobile phone.

Please see below a complete list of all required documents to travel to Kenya:

1 - E Visa
2 - PCR Test / Fit to fly certificate (must be private, but government authorised laboratory). Your PCR test must be taken within 96 hours from your flight departure time
3 - Online Kenya Health Declaration form, with approved QR code
   https://ears.health.go.ke/airline_registration/
4 - Passport, valid for at least 6 month beyond the completion of your trip & must have at least 6 empty pages
5 - Government certified Covid vaccination pass / confirmation
